

Experimental charge density in the transition metal complex $\text{Mn}_2(\text{CO})_{10}$: a comparative study. Erratum

Louis J. Farrugia,^{a*} Paul R. Mallinson^a and Brian Stewart^b

^aDepartment of Chemistry, University of Glasgow, Glasgow G12 8QQ, Scotland, and ^bDepartment of Chemistry and Chemical Engineering, University of Paisley, Paisley PA1 2BE, Scotland. Correspondence e-mail: louis@chem.gla.ac.uk

A value is missing in the third row of the O3–C3 section of Table 3 on p. 238 of Farrugia *et al.* (2003). The missing value which should be in the fifth column is 13.757, and the remaining entries should be transferred to the next column along.
