(Received 3 July 1996)

An error in technical editing is corrected. In the *Abstract* of the paper by Polamo, Mutikainen & Leskelä [*Acta Cryst.* (1996), C52, 1082–1084] the title complex is named as a zinc complex; it is in fact a zirconium complex, *i.e.* bis(μ -phenylimido)bis[dichlorobis(tetrahydrofuran)zirconium], $[\text{Zr}_2\text{Cl}_4(\text{C}_6\text{H}_5\text{N})_2(\text{C}_4\text{H}_8\text{O})_4]$.
