The chemical name of the title compound in the paper by Gowda, Foro, Suchetan & Fuess [*Acta Cryst.* (2010), **E66**, o187] is corrected.

In the paper by Gowda *et al.* (2010), the chemical name given in the *Title* should be for the *trans* rather than the *cis* isomer, *i.e.* the title should be '*N,N'*-Bis(phenylsulfonyl)-fumaramide'.
