An equation in the article by Sale & Avdeev [*J. Appl. Cryst.* (2012), **45**, 1054–1056] is corrected.

In the article by Sale & Avdeev (2012), some of the brackets in equation (2) are misplaced. Equation (2) in the original article reads as follows:

$$\mathrm{BVEL}_{+/-} = \sum_{j=1}^{N}\Big(m_j D_0\big\{\exp[\alpha(R_{\min} - d_j)] - 1\big\}^2 - 1\Big). \quad (2)$$

This should be changed to the following:

$$\mathrm{BVEL}_{+/-} = \sum_{j=1}^{N}\Big[m_j D_0\big(\big\{\exp[\alpha(R_{\min} - d_j)] - 1\big\}^2 - 1\big)\Big]. \quad (2)$$

The original code does not have this problem. Therefore, the figures and calculated results are not affected.
